***Messaggio del Consolato Generale d'Italia per l'inaugurazione della "XVIII edizione dell'Italian American Heritage Month" in Massachusetts.***

Ottobre, per tutti noi italiani e italo-americani, è il mese in cui celebriamo con rinnovato orgoglio le nostre comuni radici. In occasione dei molteplici incontri e festeggiamenti, ricordiamo insieme gli importanti traguardi raggiunti dalla nostra collettività, rafforzando al contempo il nostro impegno a diffondere e tenere sempre alti i valori della nostra cultura.

Sono sicuro che anche quest'anno le molteplici iniziative dell'Italian American Heritage Month contribuiranno a consolidare ulteriormente i legami con il nostro Paese e in particolare con la nostra lingua. La conoscenza dell'italiano, in particolare per le nuove generazioni, e' il primo degli strumenti necessari per assicurare la comprensione delle nostre radici. Il mio auspicio è che tutti voi possiate sostenere la promozione della lingua e della cultura italiana nel New England, contribuendo alla loro diffusione e valorizzando il contributo che la nostra collettività ha dato allo sviluppo culturale, economico e politico degli Stati Uniti d'America.

Esprimo quindi al Comitato Organizzatore, in particolare al suo Presidente Richard Vita, e a tutte le associazioni italiane ed italo-americane partecipanti il mio più sentito ringraziamento per questo loro rinnovato impegno!

***Nicola De Santis, Console Generale***

***Message from the Consulate General of Italy commemorating the inauguration of the "XVIII Edition of the Italian American Heritage Month" in Massachusetts***

October for all of us Italians and Italian Americans is the month during which we celebrate our common roots, each year with a renewed pride. The many celebrations and events help us remember together the important objectives our community has reached and strengthen at the same time our efforts to spread and always carry high our culture and values.

I am confident that also this year the many initiatives of the Italian American Heritage Month will contribute to further consolidate the ties with our country and in particular with our language. The knowledge of the Italian language, especially for the new generations, is the first necessary tool to ensure the understanding of our roots. My wish is that all of you will support the promotion of the Italian language and culture in New England and will contribute to their dissemination. This will enhance the contributions our community has offered to the cultural, economic and political growth in the United States.

I wish to express my deepest gratitude to the organizing committee, in particular to the President Richard Vita and to all the Italian and Italian American associations for their renewed and constant efforts!

***Nicola De Santis, Consul General***

## A Proclamation

*Whereas, This is the 18<sup>th</sup> Anniversary of the observance of Italian-American Heritage Month under the legislation signed in 1999 by Governor Argeo Paul Cellucci; and*

*Whereas, This is the 525<sup>th</sup> anniversary of the year of the first voyage of Christopher Columbus and marks the arrival of Europeans to what would become the United States; and,*

*Whereas, This is the 150<sup>th</sup> anniversary of the birth of Maestro Arturo Toscanini, one of the world's greatest conductors who raised the standards of operatic and symphonic performances to unparalleled heights and who waged a lifelong battle against fascism; and*

*Whereas, We honor the contributions made by the six Piccirilli brothers, Ferruccio, Attilio, Furio, Masaniello, Orazio, and Getulio, master stone carvers whose father emigrated from Tuscany and whose work in Washington, D.C. includes carving the magnificent seated Abraham Lincoln on the national mall, the Dupont Circle fountain, and the Tomb of the Unknowns; and,*

*Whereas, We celebrate the contributions of the poet, labor organizer, and social activist Arturo Giovannitti, who emigrated from Italy to the United States in 1904, and was wrongfully charged with but found not guilty of murder in the death of Ana LoPizzo during the famous "Bread and Roses" strike in 1912 in Lawrence; and*

*Whereas, We celebrate the extraordinary film career of Sophia Loren who in 1961 became the first performer to win an Oscar award for acting in a foreign language film for her performance in Two Women and who gave award winning performances in more than eighty other films; and*

*Whereas, We celebrate Dario Fo, born in 1926 in the province of Varese, Italy who fought in the anti-fascist resistance and went on to distinguish himself as a playwright, actor, and theater director and who in 1997 was awarded the Nobel Prize in literature based on a career in which he exposed the hypocrisy of many in authority and shined light on the dignity of the poor.*

*Now, Therefore, I, Charles D. Baker, Governor of the Commonwealth of Massachusetts, do hereby proclaim the month of October 2017 to be,*

## ITALIAN-AMERICAN HERITAGE MONTH
